THIS PUPPY IS GUARANTEED AS FOLLOWS:

1. To be in good physical condition for the first 48 hours after the time of delivery. The buyer agrees to have the puppy examined by a veterinarian within 48 hours after the delivery time for a complete physical examination. If a veterinarian finds the puppy to have a contagious disease or to have a serious physical condition (other than a bacterial infection such as coccidia or giardia which is easily treated) the seller will replace the puppy with another puppy of comparable or better quality. Please note that before shipment, all puppies are examined by a veterinarian and tested for internal parasites, including coccidia and giardia. If the puppy tests positive for any internal parasites, treatment will be administered prior to shipment or sent with the puppy for continued treatment by new owner. Owner will be notified of any examination or testing findings. The seller reserves the right to a second veterinarian opinion at the expense of the seller. If the puppy is not examined by a veterinarian within 48 hours after delivery time, the above guarantees are no longer in effect. No monies will be refunded.
2. To be free of any inheritable diseases that cause death or serious impairment of vital functions in the puppy until such puppy is one (1) year of age. If such an inheritable disease is documented by a veterinarian and presented to the seller with sufficient supporting evidence, the buyer will be entitled to a replacement puppy of comparable quality. The seller reserves the right to a second veterinarian opinion at the expense of the seller.

3. To be of sound temperament, that is, to be neither so shy nor vicious as to render the dog an unfit companion. This guarantee of temperament is effective only until the dog reaches one (1) year of age, if sold as a puppy, and is contingent upon reasonable proof that any defect in temperament is not the result of lack of proper care or training on the part of the buyer.

THE BUYER AGREES:

1. To use the kennel name "Thunder River Pets" as the kennel prefix or suffix in the registered name of the dog if said dog is to be used for breeding in any way.
2. In the event that the dog is later sold, or otherwise transferred from the possession of the buyer, for whatever reason, the seller will have the absolute right of first refusal to repurchase the dog for a sum not to exceed the original purchase price.
3. Maintain up-to-date vaccines and a routine de-worming program as determined appropriate by your veterinarian. Maintain proper care of the dog, to include environmental (shelter, feed, water, etc), veterinary care, and socialization activities.

The buyer and seller agree that this is the full and complete agreement that exists between the parties for the sale of this dog. Any agreements made prior to this are considered incorporated herein and any modifications made to this agreement shall be made in writing or such shall not be effective.
